

Earth's Beauty

The thunder, lightning,
rain and snow
the different seasons
come and go,
The sun, the moon,
the stars, the sea
the simple beauty
of all these,
The rainbow light
that fills the sky
sends a message to
those who cry,
A message that
the Angels care,
A message that
they're always there.

The Human Spirit

*A beauty deep within
your heart,
The beating of your
very soul,
It reaches out everyday
and talks to heaven
as you pray,
Words that drift
into the sky
are captured by the
almighty high,
The Angels float
down by your side
and stay with you
within your heart*

Angels

Angelic beings who
heal our hearts
Nurturing our souls
as we sleep
Gently guide us
along the way
Endless love each
and every day
Looking over us from
dusk to dawn
Showing us we are
never alone...

Fairy Magic

*In the magical fields
the fairies fly
spreading their love
on passers by,
If we watch and listen
and open our hearts
we can join their world
and never part,
A world of joy
and happiness
where dreams come
true and fears subside...*

A Message from your Angel

*Oh little one do not fear
for I am close so very near,
I hold you in my
wings at night
and whisper guidance
in your ear,
I comfort you when
times are tough
but dance with you when
times are good,
Always ask for a helping hand
as I am here, your heavenly guide
waiting patiently by your side...*

At Night

When night draws in
we fall to sleep and
drift into a deep
deep sleep,
The angels come
and take our hand
and lead us to a
place so grand...
A place of beauty,
a place so sweet,
a place where we
can rest our feet,
When morning comes
we feel so fine and
start the day off
with a smile ☺

My Celtic Mum

My Celtic mum
so sweet and kind,
one with such an
amazing mind,
Thoughts of love and
happiness,
a souls so bright it
never rests,
The one who brought us
into this world,
a perfect mum
so full of hope,
A teacher, guide and a friend,
who leads us throughout
the years so well,
My mother dear,
how I feel blessed
to have you near.

Each Little Blessing

*From the depths of the roots
to the points of the leaves;
Each tree with a story
to tell,
Each bird with a song
of its own,
Each season a new chapter
of the year,
Each raindrop with a life
of its own,
Each ray of sunshine spreading
light on our troubled world,
Each Angel guiding us
along the way...*

Rainbow Child

A rainbow child so
full of peace,
helping and listening
to those in need,
they dream one day of
a brighter world,
where a love so strong
will heal us all,
heal us from the world
we've made and
recreate a world
so great,
A world that we once
knew before,
A golden time
that our hearts adore
